Today is the 75th anniversary of D-Day, when US t
People who do time in jail often find it hard to make ends meet after they're released. After 30 years working for the Hillsborough County School Board, F. King Alexander is now leading a new effort to help former inmates.

The Hillsborough County School Board is meeting to discuss a proposal to help former inmates start over.

A hearing is set for next week on the fate of suspect Robert Koenig in the 2016 mass shooting at Marjory Stoneman Douglas High School.

Tampa Bay area officials are urging residents to prepare for the upcoming hurricane season.

The red tide on Florida's Gulf Coast last year killed millions of fish and millions of dollars. The season has started and it helps to be prepared.

Elected leaders want to designate the Pulse night club a historical site in Orlando.

Elected leaders are scheduled to announce today that they will expand the number of passes offered to retired military personnel.

A dead zone in the Gulf of Mexico could be one of the many factors contributing to red tide. The National Oceanic and Atmospheric Administration (NOAA) is keeping its eye on it.

It's been eight months since Hurricane Michael ripped through the Florida Panhandle.

A private space company secured a deal with NASA to transport astronauts to the International Space Station.

Two student survivors of the 2018 mass shooting at Marjory Stoneman Douglas High School are getting their time in space.

Gas prices are declining in Florida again. Triple A says it's the first time prices have dropped below $2.50 per gallon since 2016.

Orlando attorney John Morgan is spending his personal funds to fight for something he believes in.

Tampa Bay area officials are urging residents to prepare for the upcoming hurricane season.

Last February, a gunman killed seventeen people and wounded fifteen others at Marjory Stoneman Douglas High School.

The superintendent of Hillsborough County Schools, F. King Alexander, has proposed a new plan to help former inmates find new lives.

Pasco County Supervisor of Elections Brian Corley is joining in a lawsuit to stop the state from allowing non-citizens to vote.

Hundreds of reptiles are slithering into Tampa this month at Repticon Tampa.

Gov. Ron DeSantis has signed a bill that could even allow the state to sue companies that contribute to red tide.

Authorities in Southwest Florida say they've made a major drug bust.

Three grants were awarded yesterday [Wednesday] that will support efforts to reduce harmful nutrients in Florida’s coastal waters.

The grants, which were announced by the U.S. Environmental Protection Agency (EPA), will support projects to reduce nutrient inputs in the Gulf of Mexico and the Indian River Lagoon, two of the most degraded estuaries in the United States.

Governor Ron DeSantis formally received 22 bills Friday [Wednesday] that includes the Governor’s 2021-22 budget.

Legislation sent to Governor Ron DeSantis Friday will increase access to health care for the state’s under-served communities.

The agency that oversees Hillsborough County’s transportation system has reached a milestone.

Last month’s report from special counsel Robert Mueller found no evidence of collusion between the Trump campaign and Russia.

For some people, bourbon is not just a beverage, it is a way of life.

Hillsborough County officials decided last night [Tuesday] to give a high school student who collapsed and later died during a cross-country race the title of “hero”.

Reducing the amount of harmful nutrients going into Florida’s coastal waters is a critical issue for the state and its residents.

For some people, bourbon is not just a beverage, it is a way of life.
Icelandair has stopped its service to Tampa International Airport.

Governor Ron DeSantis signed a higher-education reform executive order.

Governor Ron DeSantis came to the Tampa Bay area to support the school board.

LGBTQ group, Pasco Pride, has adopted a road in New Port Richey.

Governor DeSantis visited Ridgecrest Elementary School.
